Co-working at The Meteor

The Creative Cluster is a shared working space available to creatives and people who think creatively in their business. Located on our mezzanine floor above the Black Box theatre and the Nancy Caiger Gallery, the space is light filled, funky and versatile.

There are 12 workspaces within 6 pods available either on a full-time or part-time basis. We also have plenty of space for more temporary hot-desking arrangements.

Each workspace comes with ample storage and the following facilities:

- 24/7 building access
- Unlimited Internet
- Printing facilities
- Casual meeting spaces
- Bookable boardroom at no extra cost
- Secure card access
- Fully equipped kitchen facilities
- Nearby toilets
- Air conditioning
- Bike storage
- Architecturally designed environment
- Access to events at The Meteor

While we unfortunately don't have carparks available, there is street car parking and long-term lease carparks available at The Meteor carpark and the Union Square carpark.
